

Robots are taking over

SUMMER REC

Calling all techies!
**The robots are here
and ready for your coding skills!**

No experience? No Problem! Session 1 is for you! We will learn the basics and have a great time creating and coding!

Open to 2nd, 3rd, and 4th graders

Ready to take those skills to the next level? Session 2 is for you!

Open to students who participated in YIS Robotics during the 2017-2018 School Year and 5th graders.

Spaces are limited!

Session 1: June 4th - June 15th

1:00 - 2:00

Session 2: June 18th - June 29th

1:00 - 2:00
