CAROL**

*told by storyteller, Gary Whitaker*

*Story begins @ 6:00 p.m.*

BAAA Humbug! The Storyman brings the words of Dickens to life in a retelling of this classic, A Christmas Carol. This story has it all, a wicked greedy old man, a loving family with a dying boy and ghost. Lot's of ghost!!

We have all seen it on the movie screen and on TV but have you ever heard a master storyteller retell this classic tale? It all comes alive in a way you never imagined through the words and actions of the Storyman.
