

Carl & Mary Welhausen Library

Summer 2018

Summer Reading Program

Summer is a time that all children should read more than ever in order to prevent “summer learning loss”. Don’t fall behind in your reading this summer; join our “Libraries Rock” reading program!

1. Come by the library beginning May 30th to pick up your reading log AND keep track of all the books you read over the summer. When registered, children will receive a goodie bag (while supplies last). If you fill up the log, please pick up a new one so that you may add to your list. Please keep all logs together and turn them in at the same time. Staff will return your log so that you may take it to school with you after summer is over for the AR (accelerated reading) Program.
2. **Write your name, age, & library card # on the log. This information will be used to identify the child participating in the program.**
3. Bring your reading log with you to each visit. ***For every 10 books read, participating children will receive a prize. Teens (category no. 4) will receive an incentive prize for every 5 books read as they are generally longer (in # of pgs.).***
4. Participating children MUST read within their age range/reading level (*for example if the child is age 10, a board book for a baby is probably not appropriate*).
5. Books such as a Look and Find do not qualify, as they are considered an activity book.
6. All logs are due no later than Friday, July 20th by 6:00 p.m. so that results may be tallied, and the winners designated.
7. Prizes will be awarded to the top 2 children reading the most books in each of the following categories:
 - a. Category No. 1 – Ages 0-5
 - b. Category No. 2 – Ages 6-8
 - c. Category No. 3 – Ages 9-12
 - d. Category No. 4 – Ages 13-18 (if 18, must be enrolled as a high school student)

Summer Reading Program Party & Awards Ceremony
Wednesday, July 25, 2018 – 1:00 to 4:00 p.m. – Library

**The activities will begin with Storybook Theater,
followed by the award presentations, outdoor activities, and refreshments.**

FUN, FOOD, EXCITEMENT, OUTDOOR ACTIVITIES, AND GIVEAWAYS!
YOU DON'T WANT TO MISS IT!
