## **ELECTRONIC RECYCLING NOW AVAILABLE AT THE CITY OF YOAKUM TRANSFER STATION**

The City of Yoakum is pleased to inform its citizens of a new recycling service available at the Yoakum Solid Waste Transfer Station. A special recycling area has been implemented for electronics including:

computers (towers and laptops)	switches
monitors	servers
printers	routers
cables	modems
mice	projectors
keyboards	digital cameras
fax machines	MP3 players
telephone and telephone systems	VCR and DVD players
cell phones	gaming systems
copy machines	radios and stereos
scanners	flat screen televisions

Items may be dropped off at the Transfer Station during regular Transfer Station Working Hours. CRT televisions (older, non-flat screen televisions) are still unable to be accepted at our facility. For information on safely disposing of CRT televisions, visit [http://www.tceq.texas.gov/p2/recycle/electronics/tv\\_recycling.html](http://www.tceq.texas.gov/p2/recycle/electronics/tv_recycling.html) for retailers near you that have the ability to accept those items. If you have any questions, please call City Hall at 293-6321. The City of Yoakum would like to thank you for your efforts; working together we can help protect our environment for ourselves and future generations.
