

YOAKUM CLEAN UP PROGRAM

Time for the City of Yoakum Semiannual Cleanup Program. October 31st through November 4th, the following services will be offered in an effort to assist local residents in making Yoakum a better place to live, work and play:

Free residential bulk item pick-up WILL NOT BE AVAILABLE FOR THIS PROGRAM.

In addition to regular garbage pickup, residents will have the opportunity to bring any large items to the Solid Waste Management Facility for free disposal. Items will **not** be picked up inside or outside of the City limits of Yoakum.

For your convenience, the Solid Waste Management Facility will be open on Saturday, October 29th from 8:00 AM to 1:00 PM for Yoakum citizens with valid utility bills.

A remote site will be available on Saturday, October 29th from 8:00 AM to 1:00 PM at North South and Airport Road across from the Rodeo Grounds for drop off of household waste, large household items, and non-commercial tires. No limbs, electronics or metal will be accepted at this location.

Commercial tires, appliances with refrigerants, paint, hazardous waste and concrete **CAN NOT** be accepted at the Solid Waste Transfer Station. A limit of four (4) tires per household will be accepted.

Limbs, brush & yard waste will **NOT** be picked up in coordination with the Clean-Up Event; these will be picked up with the City's normal chipping/yard waste routes.

As a reminder, the Solid Waste Management Facility is open Monday, Tuesday, Thursday, and Friday from 8:15 AM to 4:30 PM, and on Wednesdays from 8:15 AM to 4:00 PM (closed from 11:30-1:00) and is also open each Saturday from 8:00 AM to 12:00 PM. Citizens are allowed to dump permitted items **FREE OF CHARGE** with the presentation of a City of Yoakum utility bill. Appliances (without refrigerants), furniture, computers and computer accessories are accepted

Citizen volunteers are asked to join in for a debris/litter collection effort throughout Yoakum in an effort to beautify our community. Organizations wishing to participate in the Clean Up Program through this method may contact City Hall between 8:00 AM and 5:00 PM for location coordination and equipment (grabbers, trash bags, etc.) to assist with the effort. For more information or anyone interested in volunteering their time or equipment, please contact City Hall at 293-6321.

Love your environment

Community involvement is a MUST for this to be a success!

...be proud of it.
