Top Things To Know About Scholastic Teachables

Every Subject, Every Grade

Scholastic Teachables is an online database of tens of thousands of searchable, printable educational resources for all subjects in grades PreK–6.

Teachers Create Our Content

Our teachers create and vet thousands of high-quality, ready-to-use resources to help reduce the amount of time teachers spend searching for materials to support lessons and classroom management needs.

We Do Differentiation

Our more than 200 Leveled Learning Collections provide teachers with skill and activity sheets for below-level, at-level, and above-level students so they can meet the needs of all learners in their classrooms.

Standards Come Standard

Each of our resources is aligned to standards. Search by specific standards to make matching our content to specific curriculum even easier.

It's Easy—Just Search, Select, Print!

We've enhanced our search and filtering functionality to make finding what's needed simple and fast!

94%
of Scholastic Teachables users surveyed would recommend Scholastic Teachables to a colleague!

There's a Mini-Book For That

Instantly create a classroom library precisely leveled for students with our collection of more than 2,000 leveled mini-books for guided reading levels A–Z.

It Will Save Time

According to a recent study by the Learning Counsel, teachers report spending 4–10 hours of planning time searching for content to support their lessons. All of our resources are guaranteed to be on level and of the highest educational quality.
